<p>The Master of Computer Application (MCA) course will now be a two year course. It was decided to reduce the course duration by one year, in the 545th Meeting of University Grant Commission (UGC) held in December 2019. From the coming academic session, MCA programme will be taught as per the new course duration.

So far, the course was of three years' duration.

Candidates who have passed BCA/ Bachelor Degree in Computer Science Engineering or equivalent degree or passed B.Sc./ B.Com./ B.A. with Mathematics at 10+2 level or at graduation level (with additional bridge courses as per the norms of the concerned University)

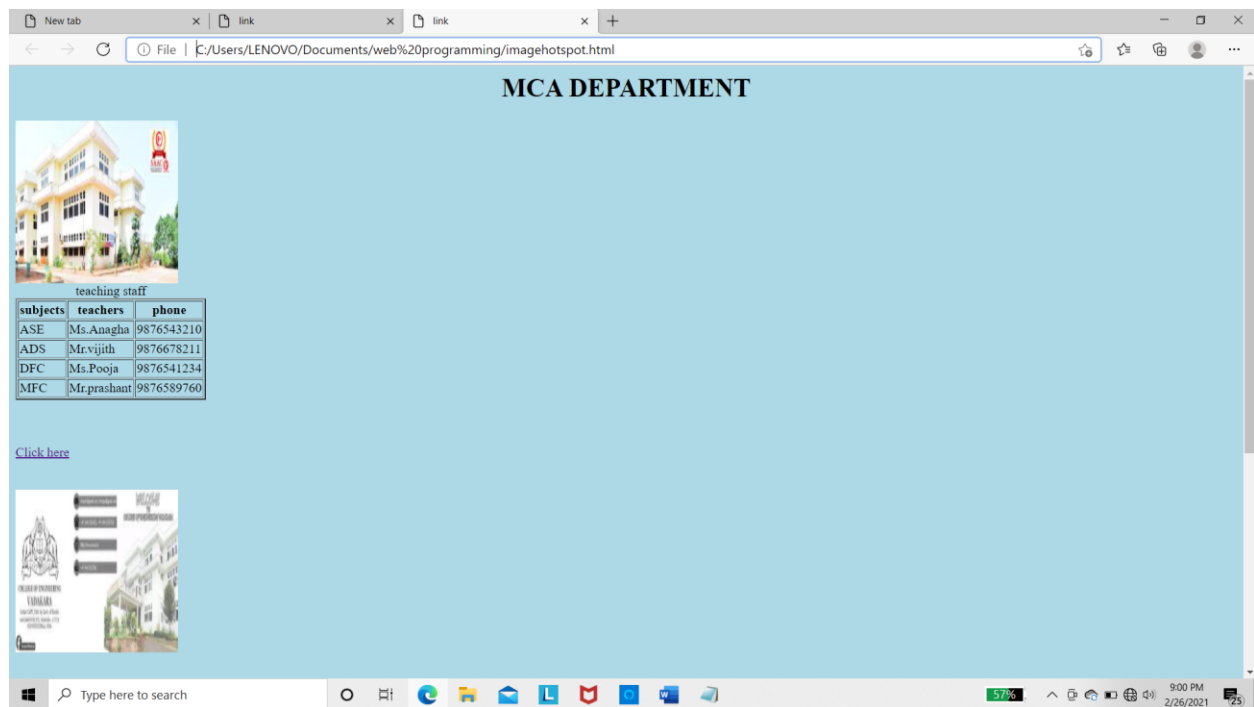

obtained at least 55% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination, are eligible to enroll in the MCA course. </p>
